Athletics

Franklin Parks and Recreation Department believes that youth sports activities are an important part of a child's development – but we are also concerned with keeping youth sports in proper perspective. Teaching fundamentals of each sport with emphasis on team should be everyone's main objective. We would appreciate parents and spectators supporting our view and remembering that winning is not everything. Franklin Parks and Recreation Department requires that all youth sports programs utilizing our facilities to have all coaches certified by the National Youth Sports Coaches Association training program prior to working with youth. This program is offered prior to the start of each sports season by the Franklin Parks and Recreation Department.

Junior Golf

Golf is a game that is best learned at a young age, so get your kids in the swing of things with the Legends of Indiana and Franklin Parks & Recreation Junior Golf! Golf lessons will be given by Scott Downing, Director of Golf Instruction. Juniors receive 8 hours of instruction in a fun learning environment. This program is designed to teach young people the fundamental building blocks of the full swing, putting, chipping, pitching and bunker play. The class is designed for ages 5-14 and all playing levels. Student check-in is at 7:45 a.m. at the Legends driving range. Students are encouraged to have their own equipment but equipment is available. There will be a Friday golf league available for all junior golfers. Call 317-372-0446 for more information.
